The majority funds raised from our 4th Annual Trail Ride will go to GoodHearts foundation. Your support will continue to assist GoodHearts in maintaining the apartments and to possibly even open another one. 2nd Chance Trail Ride will use funds to continue to support recipients of organ or tissue transplants going through a 2nd Chance at life. We will use more funds towards our signage campaign to bring awareness to organ and tissue donation. Show your support and join us May 9th.

Our past events have seen great success with supporting GoodHearts with opening of two apartments for recipients to stay during their recovery. These apartments are right across the street from the U of A Hospital. 2nd Chance Trail Ride has also donated funds for the Canadian Transplant games. This past year, 2nd Chance Trail ride launched a signage campaign for Organ and Tissue Donation Awareness, placing signs along major roadways, and in hockey and curling rinks across Alberta.

## Pre Registration & Camping

Early Registration is available on May 8, 2015 from 6:00 PM–9:00 PM (\$30/participant) in Heinsburg at the end point of the trail ride. There is overnight camping available at the Heinsburg Water Tower. There are no water or power hook ups. The cost is \$10 a night. Cheques can be made out to Heinsburg Community Club.

## Trailer Transportation

We will have transportation (donated by Prairie Tech) available from 9:45 to 10:30 from Heinsburg to Lindbergh so your truck can be ready for you at the end of the trail ride. There are hitching rails to tie horses during the move. Please have someone to watch your horses while you move your truck and trailer.

## Morning Registration

There will be coffee and muffins available during registration. First 200 Registered participants will receive a 2nd Chance Trail Ride keepsake! Each individual partaking in the ride is required to fill out a participant waiver. This includes even those riding on a wagon. This also helps us get a solid count on how many people are partaking in the ride. Registration and pledge sheets to be handed in takes place in the cookhouse in Lindbergh at the hitching area of the Iron Horse Trail.
